Welcome to the Take a Lead 2024 Yearbook!

What a year it's been! 2024 has been full of exciting milestones, unforgettable moments, and plenty of wagging tails. We've welcomed a pack of new furry faces, celebrated countless birthdays, and achieved incredible training milestones with our doggy students. Our team has been hard at work introducing new training programs and enrichment activities, including the introduction of school excursions, ensuring every pup gets the most out of their time with us. We even gave our Training Room a fresh new look and added a range of "pupgrades" to our facilities!

This year, we also launched brand-new events, added permanent Tuesday Farm Trip Adventures, introduced our Exclusive Goldie Days, and (perhaps most exciting of all) installed a MAZE for our curious canines to explore. Each initiative has been met with tail-wagging enthusiasm from our students, and their joy has fueled our passion every step of the way.

None of this would have been possible without the unwavering support of our amazing pups and their dedicated pawrents. Thank you for being part of our journey and for helping us grow and improve each year.

Here's to an even bigger and better 2025 – we can't wait to see what adventures lie ahead!

At Take a Lead we...

Who could forget our costume winners who stole the show in some of our events this year!!
