Welcome to the Take a Lead 2025 Yearbook!

As we celebrate another successful year of Take A Lead, we are honored to care for and support our students throughout their journeys. It has been a privilege to work alongside individuals who consistently demonstrate dedication, perseverance, and a genuine commitment to growth.

Throughout the year, our students showed their hard work through reliable attendance at events and farm trips, active participation in training walks, and full engagement in all programs that Take A Lead has to offer. Their continued trust in us, including through our boarding services, allows us to support them both within structured training environments and beyond.

We are incredibly proud of the progress, effort, and positive attitudes displayed by our students. Their dedication reflects the values of Take A Lead, and we are grateful to celebrate their achievements as we look forward to another year of continued success ahead.

At Take a Lead we...

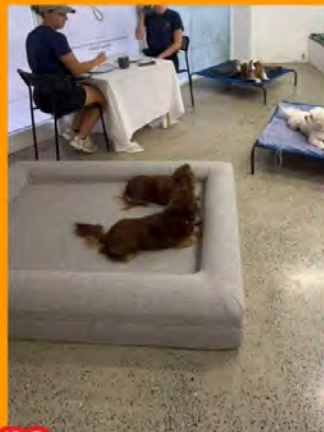

... make fur-ever friends!

Have fun and make memories!

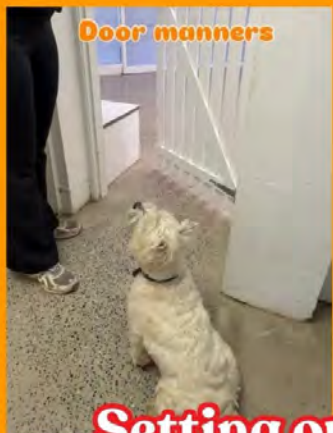

School is all about...

Training with care

Stimulating minds through enrichment

Door manners

Setting our students up for success!

Events to Remember

Valentines Day

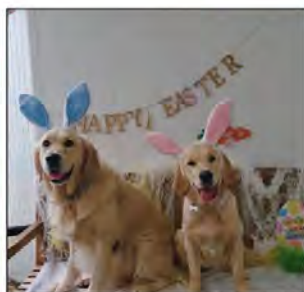

Valentines Day!

This year we set up a 'good manners' date for the pups! where they sat across from each other and practised impulse control before digging into a treat

Easter!

we can't forget our fur friends when it comes to an easter egg hunt! we held an egg hunt full of enrichment where the dog's had to pop open their own easter eggs

Easter!

Pirate day!

On this day we threw a pirate party! we tested the dogs scent work skills with a treasure hunt and then we worked on confidence building as they 'walked the plank'

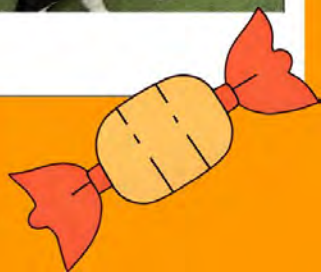

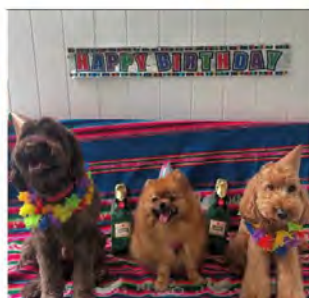

Circus day!

A day filled with so much fun we have had to throw a circus party again and again! The dog's get to work on their agility skills and improve their tricks

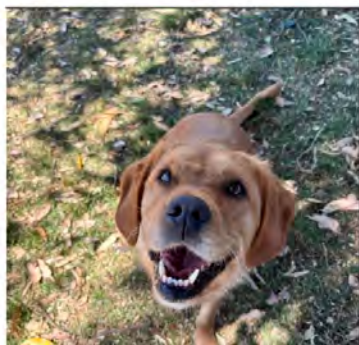

Celebrating Birthdays

paw-tys!

Fun and enrichment at the farm!

which dog does't absolutely LOVE the take a lead farm? where they can run free, practise their agility skills and feel so enriched
